Boots on the Ground, “Location Gridwork Begins”

Welcome to our Meet & Greet in Kauai, Hawaii!

(9-13-2024 6-9PM/HST)

Experience the warmth of our Gridworker Team as we gather in person on the island. Indulge in a delightful spread of appetizers, snacks, hors d'oeuvres, drinks, and desserts while we dive into the details of our upcoming gridwork event. Together, we'll review the event itinerary, discuss transportation arrangements, assign individual and group tasks, and explore special roles for our 4-day journey.

During our time together, we'll also focus on setting the stage for our group ceremony. We'll create a sacred space, establish protective measures, align our mission intentions, and share in unity vows and sacred prayers. This meet-and-greet serves as our icebreaker session, fostering resilience and trust within our team, essential for the transformative journey ahead.

Gridwork Mission Day 1 **(9/14/2024 9AM- 5PM HST)**

We are going to the Ancient Heart of Kauai, the Oldest Hawaiian Island! Lemurian Time Portal Activation! Inner Earth Gate Restoration!

Join us on an exhilarating hiking trail that leads to the legendary Garden of Eden, steeped in ancient spiritual planetary revival and restoration frequencies. This trail acts as a portal, whisking you away into the sacred timelines of Lemuria, where ancient wisdom and magic await.

Our journey will take us to the breathtaking Na Pali Coast, where we'll traverse the Emerald Ray Volcanic Cliffs and embark on the Kalalau trail from Haena State Park. Trekking 6 miles, we'll reach the majestic Hanakapiai Falls, a towering 300-foot cascade, crowned by a shimmering rainbow pool beckoning us to immerse in its pristine baptismal waters.

Here, amidst the awe-inspiring beauty, we'll conduct sacred gridwork, channeling miraculous healing codes and initiations into the inner spirit and soul body of the divine mother and sacred earth super consciousness field. Our mission: to restore the inner planetary core flower of life geomancy and activate 12D inner earth templating fostering the galactic energies needed to bring forth the New Earth Prophecy, and greatest restoration to all humanity and all life.

With unwavering dedication, we'll extract the darkness and shadow body plaguing the inner earth core, transmuting and alchemizing anti-life reversal codes into pure light on behalf of the collective earth healing. Journeying to the untouched realms, closest to the inner earth vortices and gateways, we'll unleash the transformative power of 12 Dimensional sound healing, correcting all planetary anti-life energies at their source.

Transportation and a delicious lunch will be provided, ensuring a seamless and nourishing experience as we embark on this profound journey of healing and restoration.

Gridwork Mission Day 2 **(9-15-2024 9AM-5PM HST)**

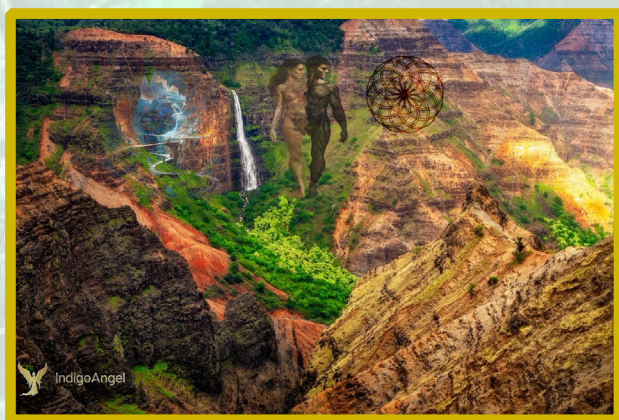

Come with us on a life-changing journey to Waimea Canyon, known as 'The Grand Canyon of the Pacific', nestled on Kaua'i's West Side. As we stand in awe of its majestic beauty, we also recognize its deeper significance in our collective healing journey.

Through extensive gridworking, we've uncovered that canyons serve as vessels for our deepest collective shared pain bodies and collective shadows. These ancient canyons hold the echoes of planetary womb block-ages, the scars of ancient betrayals, and the wounds of lost tribal warrior codes, dating back to the Lemurian Holocaust.

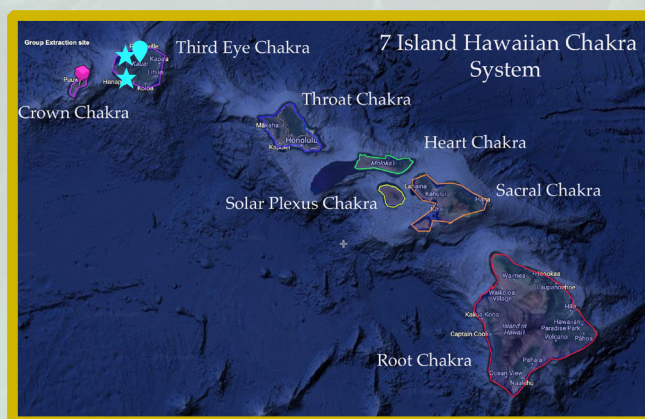

At the Waimea Canyon Lookout Point, we will embark on a profound journey of healing and restoration. Here, amidst the breathtaking vistas, we will engage in deep clearing work, addressing the gender sexual splitting, global betrayal wounds, and the removal of sexual global implants feminine and masculine. We'll also confront the wounds of the first humanitarian separation, healing the collective soul of humanity.

With reverence and intention, we will conduct an on-location planetary chakra clearing, focusing on the third eye island and the entire 7-island chakra system. Through this process, we'll activate global restoration and cleanse the spiritual immune system of the planet, paving the way for a new earth of wholeness and harmony to emerge.

Transportation and a delectable lunch will be provided, ensuring a seamless and nourishing experience as we embark on this profound journey of healing and restoration.

Gridwork Mission Day 3

"Final Mission Work & Ceremony" - Miracle of Manna Spirit/Ocean Gridwork Group Ceremonial Blessing

Location 1

(9-16-2024 10-11:30 AM HST)

Embark on a transformative Ocean Gridwork Group Ceremonial Blessing, as we commune with the spirit of Manna - the great spirit of the Ocean Waters. Together, we'll invoke the ancient energies of the Easter Islands, activating a global Ley Line Clearing (horizontal, vertical, and angular), focusing on planetary tension and trouble zones, such as the 22nd to 33rd to 44th parallel. Additionally, we will clear the Archangel Michael Ley Line and Telluric Currents, also known as the Dragon Lines. Then we will persist to run deep clearings to all Reversal Stargates Globally simultaneously with 12D Sound Healing. Through this sacred ritual, we'll awaken the Moai Heads and Defender System Network, releasing stagnant energies that hinder the progress of the New Earth. By boosting planetary spiritual immunity, we pave the way for profound planetary healing and renewal.

Location 2

(9-16-2024 12:30-3PM HST)

After the ocean blessing, join us for a gentle lunch and an immersive experience at the City of Refuge, nestled in Haula at the mouth of the Wailua River. Here, amidst the tranquil surroundings, we'll engage in sacred prayers, meditation, and deeper reflections. Through transformative sound healing and channeling sessions, we'll delve into the depths of global healing, addressing wounds of persecution, crucifixion, and genocide, as well as the exploitation of planetary resources across all dimensions.

At this sacred site, we will conduct powerful gridwork to clear deeper layers of planetary trauma and initiate the repair of global angelic and guardian DNA. As we conclude our ceremony and final prayers at the Temple of the Sun, each participant will be initiated into their own unique Lemurian tribal priest or priestess rights, connecting us to the ancient wisdom and lineage of our pre-fall of man 12 D ancestors, and the deeper revival within that restores your Lemurian Warrior Preist/Priestess Tribal Codes/Inheritance.

Location 3

(9-16-2024 6:30-8PM HST)

Come together for our final meal as a gridworker family, a sacred celebration dinner to honor our journey. Indulge in fine dining, a well-deserved treat after days of dedicated service as Avatar Land Shamans. As we savor the flavors and share stories, let's raise a final toast to our shared experiences and connections. With heartfelt goodbyes, we prepare to embark on our journey home, carrying the light and love of our shared mission with us.

Guardian Gridwork Mission Follow-Up

(9-24-24 12PM/CDT - 2PM/CDT)

Join us for a remote Sacred Celebratory Sharing Circle as we come together to reflect on our recent Guardian Gridwork Mission. This gathering offers an opportunity for us to check in with each other, ensuring everyone has safely returned home, and to share insights and experiences from our mission.

As we transition back into our daily lives, we'll discuss what to expect during the integration process after engaging in significant gridwork. This supportive space provides a chance for us to offer guidance, support, and encouragement to one another as we navigate the next steps on our journey.

Temple of the Gem Body

We are excited to share a remarkable discovery in Kauai—the Temple of Venus, located beneath the San Marga Monastery Grounds. This Lemurian Venus Temple has been reactivated for powerful gridwork, resonating with new octaves of the Emerald Flame and Emerald Lava. This sacred site holds key elements crucial to our mission on the islands.

In addition to this discovery, we have received messages indicating the presence of a crystal skull on the Na Pali Coast, which will generate the Gem Body within the Lemurian Venus Temple.

If you are considering joining us in Kauai, now is the perfect time to sign up due to the preparations involved. Please see our trip details and package for more information. Secure your spot now, as your participation is essential for the success of this mission!

Venus Temples, Kauai Hawaii, and the New Earth Ascending Planetary Sistership with Venus!

Namaste Galactic Family!

This mission is of paramount importance, with grid workers worldwide coming together to restore balance on Earth.

Kauai, Hawaii, holds immense significance in healing the planet's war history and the deep-seated wounds of separation and betrayal between men and women stemming from the original split, planetary blackmail, and from our original shared genesis. Where from the gender split of Adam and Eve resulted in a severe forced breeder program. This great, mysterious gender divide and the resulting distrust have fractured humanity since our tribal inheritance within our ancient planetary ancestral fields.

If this isn't making sense, let me put it in simpler terms: We must go to Hawaii to heal the deepest plagues impacting humanity's soul and spiritual evolutionary processes.

Since Kauai, Hawaii is the oldest islander record to Lemuria, and holds the Inner Earth gate site access to the Inner Earth Cue site in France this is extraordinarily significant in clearing everything running in Europe in accordance with planetary war history and the great separation between men and women. This goes deeper into the Mary Magdalene bloodlines, Irish lines and descent, and original Venusian souls, see below.

Recently, I've received crystal-clear information through remote viewing of Venus and Mars, which are activated in accordance with astrological pivotal alignments but also future earth prophecy and ethics.

Astonishingly, both planets are already inhabited and colonized, much like Earth. They host massive subterranean cities, advanced civilizations, and complex governmental coalitions that are very active and alive, bearing similarities to Earth civilizations.

Venus, however, is more crystallized and advanced, with inner cities and crystal kingdoms emerging on its surface. The collective vision of a new Earth is largely transmitted from Venus, where evolution occurs at a faster pace due to the planet's heat. Venusian civilizations live in interconnected sphere cities and communicate powerfully through orb technologies. Venus is a massive gateway from Kauai, Hawaii where one of the Venusian Temples are located.

The Guardian Planet Venus

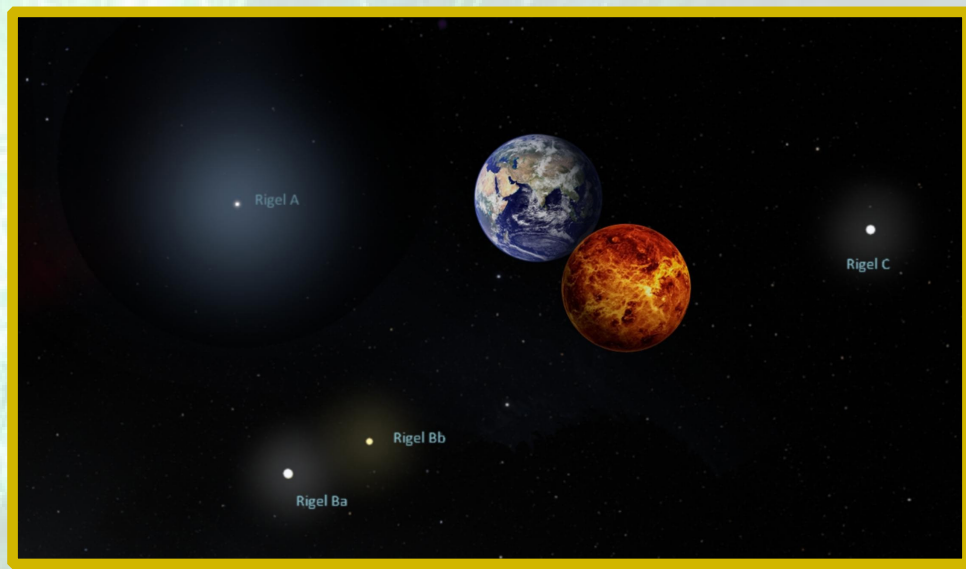

“Long ago, Venus and Earth were a unified entity, nested within the vibrant energy field of the star Rigel in the Orion constellation. They split, like a cell dividing, to form the intricate cosmic geometry we now recognize. This event initiated their journey through a wormhole, bringing them into the embrace of our Sun. Over time, they solidified their places within our solar system, co-creating a beautiful heart geometry: Earth representing beauty and Venus symbolizing love.

To truly grasp the connection between Earth and Venus, we must journey back to a time when they were one within Rigel’s star system. Among Rigel’s worlds was a realm we call Atlantis, which faced karmic challenges leading to its self-destruction. This catastrophe disrupted the energy equilibrium of Rigel’s worlds. Carrying the seed codes of Rigel, Earth and Venus traveled to a new space and time, with many souls from Atlantis reincarnating on Earth’s Atlantis. Earth and Venus now maintain this balance for Rigel, keeping the Vault of Orion—a significant portal in the constellation—energetically open as a passageway between universes. The Orion Nebula’s Trapezium region is where this universe’s hologram was projected.

Earth, holding a crucial balance for this universe, is complemented by Venus, its guardian and guide. In quantum reality, every world can be seen as the center of its universe. Venusians, genetically and energetically advanced yet close human relatives, exist in World System One, experiencing extended lifespans of several thousand years. They age minimally, similar to Earth’s inner civilizations. Although they do not succumb to illness, they can die from accidents or the natural end of their biological clocks. Even in World System Two, there is an end time for the body, but it transitions with all its energy intact, ready for a higher vibration rebirth without the need for childhood.

Returning to Venus involves a rapid growth process from birth to transition, where the body is transformed into energy. Most Venusians have fair complexions, with hair ranging from blonde to deep red, and light eyes. Their voices are melodious and crystalline. Some pure Venusians live among us on Earth, adapting their voices to blend in. Many humans unknowingly carry Venusian blood, a legacy from the early days of Mu when Venusian consort Melchizedek brought priestesses to establish a grand temple. Earth’s humans, with their diverse genetic heritage from Earth and star races, possess a unique potential for unity once certain challenges are overcome.”

Venus Temples

Venus temples can be considered as the wombs containing “Seeds of Light” for the Golden Age. Venus, our sister and guardian in this solar system, aids us in our transition into the New Earth—a process that has already begun in Kauai, Hawaii!

The Temples of Venus resonate with the vibratory frequency of Venus and are safeguarded by the divine feminine, often associated with Mary Magdalene.

These sites, which may not always be physical temples, are Earth nodes that have historically hosted temples or markers. They are linked with the “Sisters of the Magdalene.”

The original Sisters of the Magdalene began as a gathering of women under the guidance of a master teacher, later incarnated as Mary Magdalene. These souls visited a Temple of Venus to take vows to serve the planetary purpose of the Magdalene. Magdalene souls follow a distinct path of the Divine Feminine, championed by Mary Magdalene. This powerful vibration is continuously maintained on the inner planes. In 1216, the Sisters of the Magdalene re established themselves at the Temple of Venus in France. Thirteen women from France, England, Ireland, Scotland, Germany, and Spain reconvened, bringing with them a polished alabaster egg from the sanctuary of Isis in Egypt. This egg, originally created for the priestesses at Heliopolis, was imbued with their rites, ceremonies, and prayers, and guarded by the Koski, a sacred order of the Berbers, Moors, and direct descendants of Atlantis. Today, this egg rests in a catacomb beneath the Temple of Venus in France, symbolizing the perpetuation of divine light. The Inner Earth Cue Site to Kauai, Hawaii.

In Atlantis, the Magdalene soul was Kesariya, the veiled mother of the Temple of the Silver Star. In Lemuria, the Magdalene soul served as the high priestess in the Temple of Fira, dedicated to the lion goddess and the essence of the Divine Feminine.

There are seven Venus Temples:

1. *A'RATU - TEMPLE OF THE GOLDEN FLAME: Located on the slopes of Mt. Ararat, Turkey (active), it holds the codes of the First Principle – the Word, Logos of the Seed. Golden Flame.*
2. *I'UAWA - TEMPLE OF THE PURE FLAME: Near Alexandria, Egypt (active), it embodies the Pure Essence of Stellar Transmissions. Bright Star - White Light Flame.*
3. *ESH'UNA - TEMPLE OF THE HEART TONE: Beneath the Alhambra, Spain (active), it harmonizes rhythms through the Holy Tone. Heart of the Dove - Violet Flame of Divine Accord.*
4. *RUHA'KEESH - TEMPLE OF THE RUBY FIRE: Located in Sedona (active), it qualifies the nature of the Divine Feminine. Ruby Fire burns away all dross to reveal the true form.*
5. *MANU'TANSHA - TEMPLE OF THE MIDNIGHT SUN: In France (active), it serves as a sanctuary and a beacon of hope. Inverted Ray (Flame) of Midnight to release future guiding rays of Eschaton.*
6. *SICHANA'LI'EL - TEMPLE OF THE NEW COVENANT: On Tenerife, Canary Islands, this Atlantean Venus Temple is a complete hologram of the New Covenant and the Light Program initializing the New Earth Star. Blue Flame.*
7. *OWII'NEMAKA - TEMPLE OF THE GEM BODY: Located in Kauai, beneath the San Marga Monastery grounds, this Lemurian Venus Temple embodies Prima Matra - the first matter arising to the new octave. Emerald Flame.*

The Pure Gem, which is housed in the Na Pali Coast in Kauai, Hawaii represents the future ascended state of the human form, serving as a multi-faceted Light vehicle for the soul. The Saf-Fire Rayship offers a method for working within one's own Light Body to actualize the Pure Gem Body within Earth's electromagnetic reality. This concept is intricately linked to various crystalline properties and elements, as exemplified by the Saf-Fire Mount of Inner Earth and New Earth, both of which exhibit numerous crystalline characteristics and are composed of elements such as water vapor, ice crystals, and opaline varieties. This means the Venusian Future Earth Templates are currently residing in Kauai, Hawaii and unfolding now!

The Saf-Fire Rayship manifests in terrestrial spheres of varying densities and is associated with specific Earth crystals, particularly those of blue, rose-pink, violet-purple, and green varieties, such as sapphires, turquoise, larimar, lapis lazuli, amethyst, opals, and other rare crystals. These crystals are believed to emit the Saf-Fire Ray in certain aspects. The Saf-Fire Rayship is regarded as a ray of the highest order, serving as a merkabah for Master Intelligences to transport their Pure Gem forms across different dimensional waveform states. It integrates elements of Inner Earth science and spiritual practices involving manifestation, healing, and energy uses.

In Kauai, we have been guided to reset and rehabilitate 12 stargate locations historically dominated by patriarchy, such as the Temple Mount, the 4th planetary stargate in Giza, the Kaaba, the Al-Aqsa Mosque, and others. Additionally, we have been directed to work on 13 feminine stargate locations, calling in and harnessing these vortexes for planetary healing. These feminine stargates include the Hill of Tara, Stonehenge, Avebury, Glastonbury, Avalon, Montségur in France, and other locations across Europe.

The Mu people, also referred to as the E'mu, have remnants scattered across different parts of the world, including the interior of the planet, the Valley of the Blue Star in Tibet, the cavern areas of Mount Shasta, and beneath the city of Lhasa in Tibet.

The Mu People are also the Irish lineages descended through the red hair lines, these would be the Venusian incarnations. And Emu would also be Eiru.

The continent of Lemuria, or MU as it is truly named, was known as the "Motherland" of humanity. From MU originated the migrations to the Americas, Atlantis, and to some extent, Europe (though the latter was more extensively populated by Atlantis). Even before MU, this planet felt the touch of what was to become humanity, but that is another story.

Like Atlantis, MU experienced several cataclysmic events before its final submersion. Among these were two significant magnetic implosions originating from the center of the earth. These occurred when the central sun "atoma" of our planet became overloaded with a magnetic charge due to pressures in the earth's crust and magma. Its effect on the naturally hollow cavity of the planet was surprisingly minimal, though still impactful. However, since MU (and now Hawaii) is at the "Roil Point" of the planet, this was the region on the surface that drew the discharge from the atoma to the surface.

We are committed to providing prompt assistance to ensure your experience is seamless and enjoyable. We strive to make every attendee feel supported and connected to their divine soul family. We appreciate any connections you may have that could assist us on this journey. We aim to pull in as many local resources as possible, supporting the people of Hawaii who truly need it. Assistance through word of mouth, small community-based businesses, native, tribal, and local help is greatly appreciated. Recommended Courses While not mandatory, we highly recommend enrolling in either Gridwork Facilitator 1 &/or our advanced Gridwork Facilitator Course 2.0. These courses provide invaluable insights into advanced gridwork technologies and offer practical guidance on applying them to on-site gridwork missions. If you're already familiar with gridwork principles or have participated in previous remote missions or events, you may find these courses optional. Graduates of either Gridworker course are eligible for a special discount. Email proof of enrollment to info@indigoangel222.com, and we will send your coupon code for checkout on your Kauai, Hawaii Guardian Gridwork Mission.
